CANDIDATE EXAM PACK
SOUTHLANDS HIGH SCHOOL
EXAMINATIONS 2025-26

Students will be sent individualised timetables during the spring term 2026 and this will highlight when their exams will take place. Please be aware that under no circumstances can the dates for GCSE exams be altered.

The examination season in 2026 is from

Monday 4th May to Friday 26th June

With the Exam Contingency Day being

Wednesday 24th June 2026.

This means that students **MUST** be available to sit their examinations from the start of the exam season until the end.

This is **not** a school decision and it does apply to **all** candidates within all schools across the UK.

Individual exams **cannot** be taken at an earlier / later time of day.

Laws of the governing exam boards dictate exactly when the exams are scheduled. School does not have the authority to change these times or dates.

Please check relevant Exam Timetables when available and make a note of any new reserved exam dates, especially with regards to holidays and weddings.
